Mike Leeson

Mike's early career was at stockbrokers Mullens, working initially on the government broking and research side before joining the dealing desk in 1981. He became a partner of the firm in 1984. Mullens subsequently became part of S G Warburg and then Swiss Bank and Mike left at the time of the most recent merger with UBS in 1998. At Law Debenture Mike has continued to take a particular interest in index linked gilts.

Prior to joining Law Debenture in 2002, Mike was responsible for pensions mis-selling reviews with Abbey Life and Hazell Carr. He represents Law Debenture on numerous trustee boards where his broad investment experience is particularly valuable. Mike has direct experience of several large pension scheme swap transactions.
