**For over 100 years, the Law Debenture Group has been a leading provider of trustee and corporate services and is the premier provider of process agent services in the City of London. Law Debenture's process agent services in Hong Kong are available through Law Debenture Services (H.K.) Limited.**

Law Debenture provides an efficient, cost-effective independent service as process agent under Hong Kong law for:

- ISDA agreements
- Hedge fund prospectuses
- Contracts, loan agreements, structured transactions
- Other legal documents requiring appointment of an agent for service of process whether in court or arbitration proceedings.

We provide:

- Simple forms
- Competitive pricing
- Personal service, competent staff
- Efficient service – same day turnaround, in most cases

Law Debenture's global offices providing similar services are located in New York, London, and Jersey. *As appointments are often made at short notice, each office has authority to execute service of process documentation on behalf of other group offices where required to overcome time zone issues.*
